Customer Connect

It's easy to be loyal, when loyalty is easy!

The Customer Connect App on Poynt can help merchants create a comprehensive loyalty program in minutes - allowing them to enable offers, rewards, marketing, surveys and more.
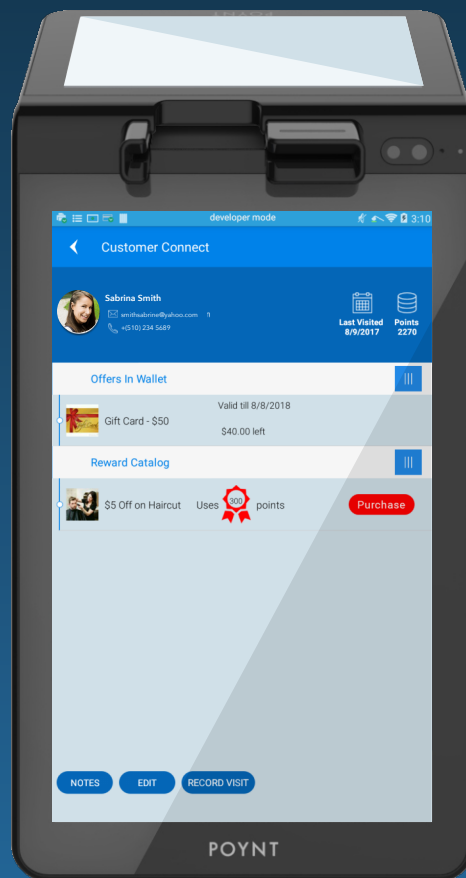

About Customer Connect for Poynt:

Integrates completely with Poynt's POS Register app

Manage loyalty across a single store with single terminal or multiple stores with multiple terminals.

Reward customers for activities you deem valuable, like enrolling in your loyalty program, positive social media activity, and customer referrals.

Deploy automated or custom email and text marketing campaigns for specific segments of your customers.

Price

$49.99 per month/store
First Month Free | No Cancellation Fee

Get Started

On the Poynt terminal, tap on the Poynt Apps Marketplace app and select Customer Connect.
