

DAVO

Automate Your Sales Taxes

DAVO Sales Tax solves two major problems: ensuring merchants have funds available to pay their sales tax, and ensuring taxes are paid on time.

About DAVO for Poynt:

DAVO syncs with the Poynt Smart Terminal automatically, and sets aside sales tax on a daily basis.

DAVO automatically files and pays your sales tax on-time and in full when due.

Merchants can mark incorrect filings or paying penalties off their to do list forever.
