Sky Craft

A full-featured point of sale solution with an advanced integration, inventory, customer and employee mangement.

SilverSkySoft

About Sky Craft on the Smart Terminal

Stay on top of your business with a quick visual of easy graphs and reports on the Smart Terminal or on your smartphone. Understand your sales, top sellers, payroll, merchandise, taxes - even the item level data.

Get to know your customer better and build loyalty with customer tracking and engagement via CRM tools; offer points, flexible redemption and VIP pricing through Sky Craft's loyalty program.

Inventory-tracking at enterprise, store or bin level; easily manage shipments and cycle counts via the alerts on your stock level.

Connect your Poynt with Quickbooks, eCommerce and email marketing tools.
